

Hello MSSA Friends!

I am writing to let you all know that I am available to answer any questions that you may have with your work. You may reach me by email at [lchristal@montessorisa.org](mailto:lchristal@montessorisa.org) or by sending me a **text** at 210-218-5670. I know that you will be working on your planners and may need to access our databases which we have on our MSSA website. There are also other recommended websites listed.

Be sure to check in for more book recommendations and other suggestions! I will continue to post things for you to do that are both enjoyable and informative!

April is National Poetry Month and Earth Day. I will have fun and educational library activities for you to do!

For Primary there will be an Earth Day booklet that can be printed and completed.

For LE and UE I will have poetry lessons available for you to print and do if you are feeling creative and feel like writing poetry!

Book recommendations
